Empire Library Delivery Label Specifications

Empire Library Delivery has provided ConnectNY with the following information:

“59% of the items reported missing through ELD in the last year were borrowed or requested by ConnectNY libraries. Since ConnectNY libraries only make up about 14% of participating ELD libraries, that illuminates that many ConnectNY libraries are likely following incorrect ELD labeling policies and procedures that are causing these books to go missing.”

In a perfect world, none of the items we loan out would go missing. Unfortunately, we do not live in such a world, but we can greatly decrease our chances by using correctly formatted 3x5 bag labels (right)!

CNY and ELD have partnered to offer 2 free webinars on labeling policies and procedures – see the “important dates” section for details. You can register for a session by going to:
