QUARTERLY REPORT FY18 (JULY 1, 2018 – SEPT. 30, 2018)

Narrative

ConnectNY is in the third year of a three-year contract with ProQuest for their Academic Complete Subscription product, and ProQuest’s Access-to-Own (ATO) data driven acquisitions (DDA) model.

This year the E-Book Committee will establish liaisons at each CNY member library not represented on the Committee in order to increase communication about current programs and to seek greater input on future product and model recommendations.

Lara Nicosia (RIT) and Matthew Garklavs (Pratt) joined the E-Book Committee this year and took over as co-chairs.

Note on statistics: The ProQuest platform migration that occurred in late FY17 changed the kind of statistics available. As a result, there are some anomalies in usage patterns when comparing fiscal year use.
