BIANNUAL REPORT FY20 (JULY 1, 2019– DECEMBER 31, 2019)

Narrative

This year, the E-Books Committee is focusing its efforts on three goals: communication and education (outreach to member libraries' staff), discovery layer integration, and statistics improvement (for a more complete picture of the current landscape). At the same time, the group continues to educate itself on current and future statistics-gathering processes, and regularly discusses best practices for consortia e-book programming.
